

BANGOR UNIVERSITY
The Welsh Experience / Profiad Cymru

On December 12th, 2019, men and women of several different nationalities, ages, career attainments, and personal backgrounds came together under one roof to be acknowledged for their hard work and commitment to the field of banking.

The Class of December 2019 graduated attaining our MBA and official title of Chartered Banker from the Chartered Banker Institute.

The illustrious halls were befitting of the pomp and ceremony of the event.

For those of us who were online students, seeing the campus and its castle-like structures for the first time, was a breath taking, awe inspiring, experience that left a lasting impression in our hearts.

Graduating was enough; being part of the historical ambience was the blessing that 'runneth' over.

The best part is you don't have to take my word for it. The entire ceremony is available on the University's Facebook page. Here's the link below:

It is my hope that these photos and the video can be part of your vision board to spur you on during those difficult midnight hours when assignments are due, and exams are ahead. Remember 'It's worth it'.
