

Celebrating a decade of success for this high level, cutting edge, world class MBA programme for the banking and financial services sector – the Chartered Banker MBA a unique qualification combining an MBA and Chartered Banker status

Bangor University Business School is proud to acknowledge a decade of success for the development and delivery of its Executive Education Chartered Banker MBA programme. Underpinned by the University's award of Gold Standard in the UK Government's Teaching Excellence Framework 2017 as well as being ranked in the UK top 10 Universities for student satisfaction (NSS, 2019).

This high-level banking and financial services qualification is the product of a powerful partnership between Bangor University Business School and the Chartered Banker Institute, Scotland, UK. The Institute is the only professional body in the world that is able to confer the designation of 'Chartered Banker'. The Institute has played a leading role within the UK in launching initiatives to help re-professionalise the banking industry.

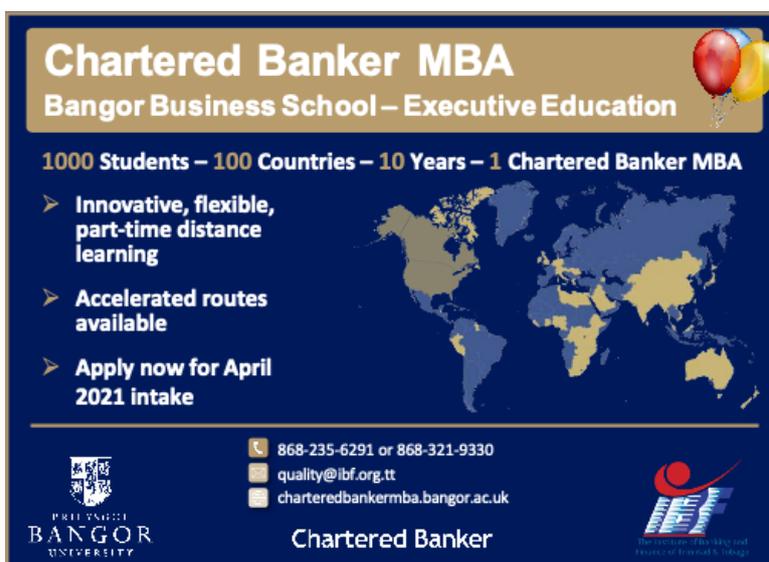

Working together to provide the global banking industry with the necessary combined high-level skills and professional competencies that are increasingly demanded of bankers. A major aim of the programme has helped re-professionalise banking in the wake of the 2008 financial crisis experiences.

Multinational banks, financial institutions and financial professionals from across the globe have engaged with the Chartered Banker MBA since its launch with 1000 Students from over 100 countries studying for the qualification.

The Institute of Banking and Finance of Trinidad and Tobago is proud to partner with Bangor University to bring this qualification to our banking community, with a high success rate in applications and graduates to the programme. IBF is honoured to offer this unique MBA programme with banking and finance disciplines, which also bestows the prestigious Chartered Banker Status. This one of a kind programme will assist with developing the expertise of our local banking and finance professionals. It is also inline with our mission, "to promote high standards of knowledge, skills and conduct to meet the demands of a changing financial industry." Additionally, given the current worldwide pandemic, it allows for a seamless online distance learning experience, which enables learners to pursue professional development insight of the crisis.

For the busy professional embarking upon an MBA programme, the blended learning format of the Chartered Banker MBA is a key component to its success with Students being able to study whilst pursuing their careers. The highly accessible programme has a flexible study approach that suits different work and time zones globally and allows students to strike a balance between self-study and practical learning with a dedicated UK based team at Bangor University offering full and continuous support throughout the study programmes each semester.
